

**South East Ball Hockey League**  
**Venue Directions**

**Venue**

- Venue is a little challenging to find however once found it is easy. The rink was moved a few hundred metres back in April and thus online there are TWO different post codes for it. Correct address is below.
- The rink is same size as Rotherham. Facilities are still being constructed. There is at this present time more than one changing rooms, showers (inc can be separate one for females), toilets, canteen (selling drinks and snacks). There is a tesco nearby where one can get sandwiches etc.

**Instructions to get to venue**

- **Correct Address** is: Building 62, Whitehill & Bordon Enterprise Park (formerly Prince Philip Barracks), Budds Lane, Bordon GU35 0FJ. Users must use this, not what they find online
- Once on Budds Lane there is a small sign for Whitehill & Bordon Enterprise Park (left on Budds Lane if heading north, right if heading south) Turn into the Enterprise park and there is a security guard about 75 metres in. You need to sign in (takes 1 minute) with Security. Once signed in, go ahead a little then turn left. The building is a yellow building (see picture). There is plenty of parking.
- This is what the back of building looks like. Building is easily noticeable, just look for yellow building.

I recommend sharing the above instructions with your players before they come
